G2 Consulting Group hires Grant Dean

Troy, Mich./Nov. 1, 2007 – G2 Consulting Group, a engineering firm providing geotechnical, environmental and construction engineering services, hired Grant Dean of Auburn Hills, Mich., as a field technician in the construction engineering services group in G2's Troy, Mich., headquarters.

Dean had been a construction materials technician with Testing Engineers and Consultants in Troy, Mich.

G2 (www.g2consultinggroup.com) is a full-service engineering firm providing geotechnical, environmental and construction engineering services to Fortune 500 companies, major utilities, property owners, government agencies and leading architectural, engineering and construction firms across the United States. G2 also has offices in Brighton, Mich., and suburban Chicago, Ill.
