**G2 CONDUCTS GEOTECHNICAL INVESTIGATION FOR NEW ROYAL OAK MOVIE COMPLEX**

**Troy, Mich./July 1, 2010** – G2 Consulting Group of Troy, Mich., recently completed geotechnical investigations to determine foundations and pavement requirements for a new 73,000-square-foot Emagine Theater entertainment complex in Royal Oak, Mich., and will provide construction engineering services to ensure that the project is built according to specifications.

The two-story entertainment complex at the northwest corner of 11 Mile Road and Troy Street will include 10 screens, a bowling alley, bar and restaurant.

Construction will begin this summer and is expected to last until April 2011.

Cunningham-Limp of Farmington Hills, Mich., is the construction manager.

G2 Consulting Group ([www.g2consultinggroup.com](http://www.g2consultinggroup.com) and [twitter.com/g2\\_consulting](https://twitter.com/g2_consulting)) is a full-service engineering firm serving Fortune 500 companies, major utilities, property owners, government agencies and leading architectural, engineering and construction firms across the United States. Based in Troy, Mich., G2 also has offices in Brighton, Mich., and suburban Chicago, Ill.
