G2 hires Ken Schaub and Alan Scott as staff engineers

Troy, Mich./Dec. 7, 2009 – G2 Consulting Group, a Troy, Mich.-based full-service geotechnical, environmental and construction services engineering firm, hired Ken Schaub of Shelby Township, Mich., and Alan Scott of Linden, Mich., as staff engineers in G2's construction engineering services groups.

Both Schaub and Scott earned bachelor's degree in civil engineering from the University of Detroit Mercy and are working toward master's degrees in geotechnical engineering there. Both were also summer interns for G2 for two years.

G2 Consulting Group (www.g2consultinggroup.com) is a full-service engineering firm serving Fortune 500 companies, major utilities, property owners, government agencies and leading architectural, engineering and construction firms across the United States. Based in Troy, Mich., G2 also has offices in Brighton, Mich., and suburban Chicago, Ill.
