

## **G2 Consulting Group Welcomes Trevor Woollatt to the Firm**

**TROY, MI., July 8, 2015** -- G2 Consulting Group, the nationally recognized geotechnical, environmental and construction engineering company, welcomes Trevor I. Woollatt as a Project Manager in the firm's Environmental Services Group. Woollatt joins nearly 20 employees that G2 Consulting has hired this year to help managed the company's growing business.

Woollatt specializes in real estate due diligence, remediation planning and implementation, and brownfield redevelopment. His recent experiences include managing negotiations with state regulatory and economic development agencies, local units of government, and brownfield redevelopment authorities.

"We continue to add talented professionals to better serve our clients," said Mark Smolinski, G2 principal. "Trevor not only has a deep knowledge pool and excellent experience spanning his 20 years in the industry, but he also exemplifies a passion for driving G2's core values: 'Smart. Results. Fast.'"

G2 has experienced strong revenue growth in the recent past and has been growing through strategic acquisitions and select new hires. The company now employs 63 people, which is a 23% increase in the past 12 months.

Prior to joining G2, Woollatt was the Brownfield/Real Estate Due Diligence Team Leader at Superior Environmental Corp in Wixom, MI. He had previously been at Environmental Consulting & Technology, Inc. (ECT) in Ann Arbor where he also served as a Brownfields Specialist. Woollatt was recently appointed to the Washtenaw County Brownfield Authority.

"I've worked in the industry in Michigan for a long time," said Woollatt, "and have always known G2 as a preeminent geotechnical and environmental firm. I'm thrilled to be joining the team and look forward to serving clients both here in metro Detroit and at our project locations across the country."

Woollatt earned his Bachelor of Science in Geology from West Virginia University. He resides in Brighton, MI with his family.

G2 has other immediate job openings for entry and mid-level geotechnical engineers and environmental scientists. Interested parties are invited to forward their resumes for consideration to [www.G2consultinggroup.com/join-our-team](http://www.G2consultinggroup.com/join-our-team).

###
